

### **Do This in Time**

Don't bind yourself in peril  
hiring drops of liquids for your thirst.  
Beggary does not quench the thirst  
sharp intent breeds a fresh pearl.

Don't hold acquaintance with pity-waves  
but mellow fresh murmur to stop the waves.  
Put straight fingers at war with lack  
and see your path shine with luck!

Do this in time!  
Do this within time!  
Do this everytime!

Do one thing without wearying  
and wait without wearying~~  
conceal your pride without disguise  
and embrace the Fountainhead in holy guise.

The Fountainhead lacks no water!  
    Above is water!  
Middle is water!  
    Beneath is water!
